

Faith Is A Demonstration of Live Action!

James 2:14-20

Genuine faith affects our behavior.

- Superficial faith does not save anyone.
- Dead faith will produce dead works.

You have to connect faith and action.

- Being connected allows us to join God in where he is working.
- Being connected demonstrates our faith in action.

True faith motivates a person to please God.

- Demons are not atheists.
- The demons know the Day of Judgment is coming soon.
